### \*MANUFACTURERS WARRANTY

**This manufacturer's warranty is provided by Dexton International Pty Ltd.**

- Dexton products are guaranteed for a period of 5(five) years from date of purchase, provided the product has been installed correctly and in accordance with local electrical wiring regulations and codes of practice. This guarantee shall become invalid if this product has been incorrectly installed, misused, tampered with or accidentally damaged.
- If the goods are defective, we undertake to repair or replace the goods or any part of them that is defective; or provide again or rectify any services or part of them that are defective; or wholly or partly recompense you if they are defective.
- This guarantee is in addition to other rights and remedies available to consumers, all of which are given by us to you if you are a consumer.
- Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.
- If you wish to make a warranty claim, please return this product to the original place of purchase together with your purchase receipt, or contact. Customer Care: 1300 DEXTON (339 866)
